

This schedule will appear in each week's In The Know, and may be subject to adjustment as staff may be required for intervention, particularly for exam groups in Years 11 and 13. Please note that while every effort is made to run these clubs reliably and regularly, they may have to be cancelled due to staff absence, staff training, or staff involvement in fixtures and events. We will try to notify you in advance where possible, but in any case students are welcome to sit in the school's library after school to study if they are not able to go home at 15:15.

When students attend a club, they should ask the member of staff to **sign that week's slot in their Student Planner**. They can then take this to their form tutor who will upload an achievement point.
